Drexel Dance

Drexel University

Announces a New

Bachelor of Science in Dance

This exciting new program is designed for the serious dancer who's interested in exploring dance as a physical and intellectual discipline, while preparing for a career as a dance educator or dance/movement therapist. The innovative curriculum includes many unique features:

- 4 year B.S. degree with options to continue on to an M.S. in Education (5 year) or an M.A. in Dance / Movement Therapy (6 year)
- Academic course work in dance along with a full range of studio technique classes taught exclusively by professional performers and choreographers
- Performance and choreographic experiences, as part of a performing company
- Undergraduate degree featuring a strong humanities and science core curriculum from an internationally recognized university
- Co-op internships in jobs related to dance in education and dance/ movement therapy
